

BACHELOR OF SCIENCE

Nursing

Our accredited RN to BSN online program is designed to be as dynamic and forward-moving as your career aspirations. Old Dominion University's Bachelor of Science in Nursing (BSN) program equips today's nurses with a strong academic foundation and nurturing values to deliver quality healthcare and shape the future of the profession. The post-licensure track is for those already licensed as registered nurses who want to advance their careers by earning a BSN.

PROGRAM HIGHLIGHTS

- 30+ years of experience offering RN-BSN education using distance technologies with courses entirely online
- Accredited by the Commission on Collegiate Nursing Education (CCNE)
- Accelerated program with eight-week courses available
- Concurrent enrollment for those enrolled in AAS/ADN courses
- 33 credit hours awarded through experiential learning credit
- No labs are required
- Scholarships available
- Flexible scheduling, with required courses offered throughout the academic year and enrollment available every semester

Why ODUGlobal?

Affordable, Competitive Tuition

ODU is an affordable public university offering competitive tuition rates for online learners.

Coaching and Support

Our staff partner with students from the first time they contact us all the way through graduation, offering resources and support at every step. More than 20,000 students have completed their education through ODUGlobal.

Nationally Recognized Faculty

Award-winning faculty guide students toward successfully earning their degree online at an R1 elite research university.

Pioneering Leader

ODU has advanced distance learning for nearly 40 years. Our culture of innovation continues as we embrace new technologies and lead the way in establishing best practices.
