

BACHELOR OF SCIENCE

Human Services

ODU's online Human Services degree prepares students for entry-level positions in community service agencies. Learn the characteristics of human growth and development, theories of human services, and skills related to program evaluation, grant writing, and fundraising. You'll gain an understanding of the ethical, legal and multicultural issues in human services.

PROGRAM HIGHLIGHTS

- Accredited by the Council for Standards in Human Services Education
- Build career-ready skills through internship experience
- Combine interest areas with the following double major options: Human Services and Sociology, Human Services and Criminal Justice, and Human Services and Leadership
- Complement your degree by choosing a minor in Children's Rights, Health and Wellness, Criminal Justice or Leadership
- Enhance your degree with a certificate in Addiction Prevention and Treatment, which may fulfill the credentialing requirement in your state
- Linked Program Opportunities – earn credits towards a Master of Business Administration or Master of Public Administration as an undergrad student
- Academic credit may be granted for military experience and training
- Scholarships available

Why ODUGlobal?

Affordable, Competitive Tuition

ODU is an affordable public university offering competitive tuition rates and scholarships for online learners.
