

# BACHELOR OF SCIENCE

## *Dental Hygiene*

### *Post-Licensure Online Program*

In as few as 12 months, our online bachelor's degree for registered dental hygienists builds upon your experience and education in dental hygiene. Our program can help you expand your career opportunities in education, oral health promotion, community health and management. We offer unmatched accessibility and flexibility, giving you a quality education wherever you are, whenever you're ready.

## PROGRAM HIGHLIGHTS

- Our online program provides the flexibility to complete courses at your convenience, offering options for both full-time and part-time enrollment.
- Once accepted into the program, students can start Fall, Spring or Summer semester.
- Ranked #6 Best Online Bachelor's in Dental Hygiene (2023, OnlineU.com)
- Eligible students can apply to the Linked Bachelors to Master of Science Program. Qualified undergraduates can take up to 12 credit hours of graduate coursework that may be applied to both degrees.

## REQUIREMENTS

- A certificate or associates degree from a dental hygiene program accredited by the Commission on Dental Accreditation (CODA)
- Admission to ODU
- Passing score on the National Board Dental Hygiene Examination
- Dental Hygienist License
- Two letters of recommendation
