

BACHELOR OF SCIENCE IN *Criminal Justice*

ODU's online criminal justice program offers dynamic, flexible, and accessible courses that delve into the social, legal, and technological dimensions of this evolving field. Expert faculty in criminology and criminal justice help you gain a deep understanding of the social and psychological causes of criminal behavior and the complexities of criminal justice administration with a particular emphasis on how issues of inequality shape both the causes of crime and the response.

PROGRAM HIGHLIGHTS

- Complete courses at your convenience with full-time or part-time enrollment options
- You can start Fall, Spring or Summer semesters
- Complement your degree by choosing a minor in Addiction Treatment and Prevention, Children's Rights, Cybersecurity, Health Equity and Social Justice, Human Services, or Public Service and Sociology
- Enhance your degree with a certificate in Diversity Studies
- Scholarships available
- Credits may be granted for military training or experience
- A Bachelor of Arts degree in this program is also available

CAREER OPPORTUNITIES

- Corrections
- Probation and Parole
- Casework and Counseling
- Victim Advocacy
- Juvenile Justice
